

Join the ranks of the region's most influential companies- and see how the very real benefits of corporate publishing can help your company...

Benefit from 30 years' unrivalled knowledge and expertise in publishing

Have you ever thought of producing a company magazine? Or perhaps a commemorative book, for an anniversary or special occasion? Maybe a high-profile catalogue or directory?

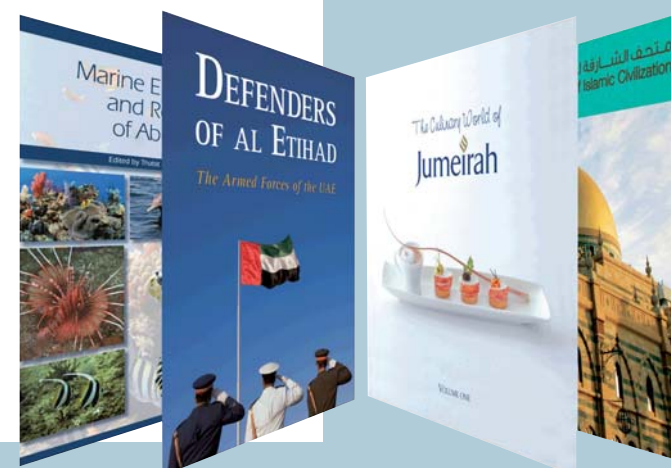

An impressive company publication is a proven way to build credibility and profile of your organisation in the marketplace.

Having your own company magazine, commemorative book, or directory, can say so much about you...

You can position your brand and company as the authority and leader in your industry, helping you stand above and apart from the competition.

Custom magazines are a superb vehicle to help companies like your own, promote their products, services, and corporate culture.

Contact us today and take the first step to having your own company magazine or book - created and produced by Motivate Publishing - the leading publisher in the Middle East.

- Company magazines
- Commemorative books
- Directories
