Steroplast - the finest quality products at very competitive prices

The renowned Steroplast-branded first aid and healthcare products, established for over two decades, continue to deliver an unrivalled level of quality for the end-user.

This is one of the main reasons that NHS Hospitals, Veterinary, Sports and Medical professionals always ask for Steroplast products by name.

We are a long-established family business, now firmly recognised as the market leader in the UK. Every one of our products goes through a series of tough quality inspections and carries the essential 'CE' mark. This is your guarantee that each and every product

Make sure your company is legally compliant with First Aid legislation

As you will know, every company in the UK these days, has a legal responsibility for their workers - and part of this is to ensure there is a well-stocked first aid kit on the premises and in their employees' vehicles - at all times.

Well, with this superb offer, now could be an ideal time to review what you have - and bring your first aid inventory up to the required level. You will enjoy discounts of up to 37% on the products listed, save £6.95 on the waived delivery charge and we'll also send you a FREE gift worth £18!

How good is THAT!

So, don't delay, call us today and take full advantage of this great offer
